

Welcome to the Fifth Annual "Holiday Trees at TAG"

In less than a month we will be setting up trees at the Gallery. I hope you are getting very excited to celebrate this year, and make a lot of sales. Here are just a few things to remember for the event set up days.

The times available for installing your craft display are:

Thursday,	11- 7-24; 12:00pm - 5:00pm
Friday,	11- 8-24; 12:00pm - 5:00pm
Saturday,	11- 9-24; 12:00pm - 5:00pm
and Monday,	11-11-24; 12:00pm - 5:00pm (*Veterans' Day)

If unable to make these install times, arrangements can be made by contacting Patty Cleary-Talstein at (330) 984-1861.

This year, a "tree raffle", an "ornament basket" raffle, and a "gift certificate" raffle, for the TAG Gift Shop, will be held. Please help us make it something very special by contributing an ornament, or small piece of artwork that you have created, for inclusion in these raffle items. The date of these raffles is set for Saturday, 12-21-24.

Also, we hope to stream-line the process of collecting the "Item Inventory Sheets" by having artists fill them out before set up. Please come with all your items priced and numbered correctly. On the attached instructions page, there are samples of how your inventory sheet, and pricing tags, should look. Being able to accurately record show sales is of the most importance. This sheet keeps track of your sales, and distinguishes what merchandise sells in the event, from that which is sold through the TAG gift shop.

We would like your price tags to be any color other than white, dark green or dark red. These tags should have a "low-tack" backing so they can easily be removed and placed on the sales sheet. Avery #5462, (Staples), fulfills this request. A limited number of tags, that were left over from last year, are available.

There will be the opportunity to present your crafting during show hours. If you wish to set up a demonstration area, please inform the Committee one week prior to the event, and plan to use limited space. Some small tables may be available, but it is best to bring your own supplies. (ie. Extra lighting, table cover, etc.)

Since the show is curated, the area in which you originally set up your display may not be where your tree ends up. Please trust in the event committee's design placement decisions, and know that we want to show-case everyone in the best possible light. Speaking of lights, please consider illumination of your display (battery lights or small lamps work best).

Respectfully submitted,
Patricia Cleary-Talstein
