TAG's SUMMERFEST 2022 "THE STARS AROUND US... WARREN IS OUT OF THIS WORLD"

Summerfest was inspired since 2004 by master artists Picasso, Klee, Dalí, Cal-der, Chagal, Warhol, Bearden, Al Bright, Rockwell, Patchen, Shahn, Bosch, and Dr. Seuss. It also explored the American Indians, Fairy Tales, Emojis and the many possibilities of fiber.

This year (after two years waiting for the Covid pandemic to subside) we will look to the Stars, both above us and among us. Warren and its nearby communities has been the home of many people who have become local and worldwide STARS: in music, sports, literature, industry, politics, the arts—and much more. Even one person from Warren became a Star when he went to the Stars!

Future STARS attend Summerfest. We look forward to seeing old friends and making new ones.

We will keep abreast of news on the Covid front and continue to hope for the best. Currently masks, for example, are not required but encouraged.

THANK YOU to all the supporters who have encouraged TAG and its Summerfest for Children 2022: the City of Warren, AVI, Vlad Pediatrics, The Warren Tribune Chronicle, Marianne Nissen, local Warren businesses and individual contributors. We particularly say "Thank You" to Rick Muccio for the artwork on the brochure cover and our posters.

A special "Thank You" to all our Volunteers and Instructors!
